

What's an outdoor event without plastic beer cups. But what about all that petroleum? Look to AdCoasters **Cold Cups**—manufactured from plants instead of petrol. They're also made and printed in the U.S., recyclable, compostable and biodegradable.

Add your logo and you're ready for your next brew festival. We offer two different decoration methods: Screen Print for lower quantities; High Speed Offset for larger quantities. No additional charge for 1-sided, 2-sided or wrap imprint. Multi-color imprints available on 1 side only.
